

SPECIAL PROTECTIONS
FIREFIGHTER boot 9677
MB2415ZF

UPPER

Vulcanized rubber ensures resistance to heat, acids, and wear. This material offers high and long-lasting protection, ideal for demanding work environments.

LINING

Cotton canvas, a durable yet breathable material, capable of keeping feet cool and dry during prolonged use.

TOECAP

Steel, offers high protection against impacts and compressions.

PUNCTURE-PROOF

Steel for effective protection against perforations.

FOOTBED

Anatomical and breathable, it provides ergonomic support and comfort during prolonged use.

SOLE

Nitrile rubber resistant to contact heat at 300°C (HRO). Slip-resistant and resistant to oils and hydrocarbons, providing high grip on wet surfaces.

FEATURES

Antistatic, waterproof boot, offers cold insulation (CI) and heat insulation up to 250°C (HI3). Ideal for firefighters, suitable for firefighting and rescue operations.

REMARKS

Update 10/04/2026 - Certification EN 13832-3:2018 N-O-R available from lots chronologically subsequent to batch no.839522512

WEIGHT

1450 g (size 42)

AVAILABLE COLOURS

ZF -
 Black/yellow

SIZES

39	40	41	42	43
