

# Made in Europe PU Coverall Orange

## ART. 018001

ELKA Rainwear Made in Europe PU Coverall Orange – the ideal combination of rainwear and workwear for professionals who need reliable and waterproof protection. This coverall is manufactured at ELKA Rainwear’s own factory in Europe, ensuring high quality and long-lasting durability. The coverall is designed with a fixed hood with drawstring, providing optimal protection against rain and wind. With a YKK zipper and storm flap, it effectively blocks the wind, allowing you to work comfortably even in the most challenging weather conditions. The internal sleeve wind cuffs with elastic and press studs at the legs ensure a perfect fit, preventing water from entering. This PU coverall from ELKA Rainwear is the perfect choice of rainwear for work environments where functionality, comfort, and waterproofing are essential. With its durable material and meticulous European production, you are guaranteed a reliable solution that keeps you dry in all situations.
